

Choose one of the following goddam chapters:

- 13
- 14
- 15
- 16
- 17
- 18

1. Review this chapter.
2. Write a 20-word summary about the events of this chapter.

3. What is one main message of this chapter? Develop a 1-sentence thesis about what this chapter reveals. Next, explain why this thesis is true.

4. What techniques do you observe in this chapter? Identify at least one technique and explain how this technique supports your thesis.

5. Now, get together with the other people who analyzed this chapter. Discuss your ideas and observations. Consider a way to present your findings to the class. Be creative or straightforward.
